

CITY OF INDIANOLA COUNCIL STUDY MEETING

September 19, 2022

6:44 p.m.

Council Chambers

110 N 1st Street

Minutes

1. North 6th Street and E Girard Avenue Sub-Area Plan Updates

Shawn O'Shea, MSA, provided an update on the project timeline and two concepts for the area. He noted that a space-needs assessment for the public works department is also taking place. They are assuming the department will relocate from this site.

Council discussed trail usage in the area, connecting the trail with the Square and housing developments for the area.

2. Presentation regarding the Water Resource Recovery Facilities by Simpson College Students

Professors John Pauley and Ashwati Subramanian provided a brief overview of the project and introduced the interdisciplinary team of Brody Crouse, Dayton Gatewood, Mary Hendon, Sarah Miller, Katie Pantzar, Elijah Keopuhiwa-Carvalho, and Trenity Rosenberg.

The students presented information regarding the functions of the new facility and opportunities for innovation in future projects. Simpson students would like to lead a stream assessment and community outreach focused on all the presented issues.

The study session adjourned at 7:47 p.m.
