Discussion and direction regarding Chapter 56, Dangerous or Vicious Animals

Chief Sher presented proposed changes to Chapter 56 and requested Council direction.

The Council requested that item 56.06(G) needs to clarify that the dog is at fault if not on a leash; see what other cities have for leash laws, breed bans, and limiting the number of dogs a home may have; and possibly incorporate leniency on military dogs or service dogs.

The study session adjourned at 6:36 PM.
