Sale of Artwork Plan – Listed on Putney Auction for public purchase.

Art Festival 2025 - Brief discussion was held on the 2026 Arts Festival. It would be good to speak with the balloons, fair and hometown pride to see what their plans were for the next year. Some of those ideas were to host a new and emerging Artist area with a limit of one to two spots.

Other Items – A fundraising idea was brought up to host a “artist garage sale”. Could set up their products at home then people would follow like a garage sale.

Paint a soup bowl fundraiser was also discussed.

Motion by Rachel to adjourn the meeting at 6:29 PM, motion seconded by Kelly.
