Department Heads Reports

Director:

- Photos for the future fountain at Buxton Park were presented. Commission members supported the plans and work will continue to replace the Hukill Memorial Fountain this fall or early in the spring of 2023.

- The potential development of the Trailview development on North 15th Street has been halted by the potential buyer. The 2+ acres that were identified as a possible park donation will still be considered with any future developer.
- Buxton Park Tulip Tree: the tree in the northwest corner of Buxton Park is showing signs of decay and staff has enlisted the advice of arborists to evaluate the tree's health. There are large portions of the tree have been evaluated as dangerous and will need to be removed. Unfortunately, the limbs identified to be removed are a large majority of the tree and it is advised to remove the tree for the safety of park visitors and surrounding property.
- A logo was presented for the Pickard Park Disc Golf Course. A motion was made by Hoyer with a second from Turnbull to accept the logo as the new Pickard Park Disc Golf Course Logo. This will be used for signage and marketing the course along with the new McCord Disc Golf Course, which has it's own logo.
